

June 16, 1930.

Mr. F. A. Porter,
Orderville, Utah.

Dear Sir:

RE: LONG VALLEY DIST.

I am in receipt of copy of call of water user's meeting and minutes of said meeting at which it was recommended that you be appointed water commissioner for Long Valley for the 1930 season.

According to the minutes of the meeting you are to receive compensation of \$5.50 per day and it is estimated that a budget of not more than \$75 will cover the situation. With the understanding that these terms are accepted by you I am enclosing herewith your formal appointment as water commissioner on the Long Valley division of the Virgin River.

Yours very truly,

State Engineer.
